

INTS 120/HIST 140: East Asia: A Historical Survey

This course is a survey of East Asian history from the earliest time to the present. The course is restricted to those aspects of East Asian history that enable us to understand the complexities and diversities in the historical experience of three East Asian countries: China, Japan, and Korea. This course concentrates on how three East Asian societies have achieved their own economic, political, social, and cultural developments, sometimes by way of mutual inspiration, influence or actual interaction with each other, and, later, with a broader world.
