

Registration

Registration is the procedure whereby a student enrolls for specific classes. Tuition payments or arrangements are required prior to registration. Students must complete both processes to be officially enrolled in classes.

New students register for courses during the fall block after having had an introduction to SUA's curriculum, degree requirements, and registration procedures. Currently enrolled students register for fall classes in April and for spring classes in November.

Students should consult the Catalog as they begin to plan their schedule. During the week before registration, students must consult with their advisor, complete their registration form, and secure their advisor's signature before their enrollment appointment times arrive.

The schedule of classes is made available to all students and describes course offerings for every session. In addition, the Office of the Registrar publishes registration policies and procedures and a calendar of important dates.

Students should plan two or three alternate courses in case their first choice of courses is not available. Size limits are imposed on classes; therefore, classes will be closed to further enrollment immediately upon reaching the specified maximum.

Late Registration

Late registration begins after the registration period for each session. A late fee of \$60 will be charged. Registration after the first week of instruction is not allowed.
