## Visits and Campus Events

Office of Admission and Office of Graduate Admission staff members travel throughout the Fall and Spring to cities all around the United States as a way to connect with prospective students who may not be able to travel to campus. They conduct presentations at high schools and community organizations, attend college fairs, host special personalized events, and online webinar meetings. Visit the Admission website to see a schedule of where counselors are visiting near you.

The University also invites all prospective students to visit our campus and to speak with our faculty, staff and students. Such visits provide firsthand experience of student life and the ambiance of collegiality on campus.
