

CAPSTONE 400: Capstone I

All SUA students participate in a capstone research project over the last block and semester of their senior year. This research project is intended to be a culminating experience, drawing upon the skills and expertise that they have developed during their career at SUA. Each student works with a faculty mentor to propose, develop, and carry out a research project. Students meet regularly with their capstone mentor for support and feedback.

Units: 4

Prerequisites:

Senior standing. CAPSTONE 390. Instructor Consent Required. This course cannot be taken on a P/NP basis.
